

Life Ball 2019: Official ticket sales are about to commence
Tickets for the 26th Life Ball are available on OETICKET starting on Monday, 4 March.

With "United in Diversity. Walking on the yellow brick road towards an end to AIDS", this year's Life Ball sets out on a journey across the rainbow on 8 June 2019. It will take us all to a fantastic world of colour with a travelling circus.

Mark the beginning of the ticket sale brightly in your calendar to join this year's ball night dedicated to life on the City Hall Square. **General ticket sale for the Life Ball 2019 commences at 10 am on Monday, 4 March, exclusively on OETICKET. First come, first serve.**

Traditionally, the general ticket sale for the Life Ball will let you choose between two ticket categories. The Regular Ticket (EUR 180) is meant for all those who want to participate in the Life Ball in classical elegance. The Style Ticket (EUR 90) rewards the efforts of our most creative Life Ball guests for their extravagant stylings with a reduced price. Holders of Regular Tickets may also dress up imaginatively to match our motto.

VIP TICKETS & INTERNATIONAL PACKAGES

All who want to experience the Life Ball 2019 in its full splendour and enjoy a very special night with their friends, employees, customers or business partners may secure their tickets for the LIFE+ Solidarity Gala (EUR 2,500 per ticket), Gallery Tickets (EUR 990 per ticket) or Festsaal Lounge Tickets (EUR 550 per ticket) now as well.
